DETAILED ACTION

Allowable Subject Matter

1. Claims 1-4,10,12,14-16,35 and 36 are allowed. The claims are renumbered in the following manner: claims 1 and 2 remain the same; claim 3 is now 4; claim 4 is now 5; claim 10 is now 7; claim 12 is now 8; claims 14-16 are now 9-11 respectively; claim 35 is now 6; claim 36 is now 3.
2. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or adequately suggest each and every element of the claimed invention. More specifically, the recited elements for determining to which partition a frame should be forwarded and for allowing a new partition to share a shared Ethernet adapter are not taught by the prior art. The prior art relied upon in previous office actions only teaches the transferring of messages to partitions that share the shared Ethernet adapter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
